Quaecumque vera

“Whatsoever things are true”

The University Coat of Arms

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

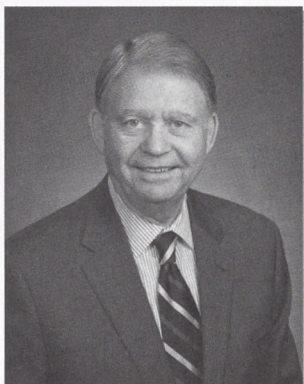

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University, support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* (“*Whatsoever things are true*”).

Please Note: The Jubilee Auditorium is a “smoke-free” facility.

The list of candidates for degrees, diplomas, and certificates appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information presented is current as of the program printing deadline.

Photographs may be taken during the ceremony, but we ask that photographers do not approach the stage area and ensure that aisles and stairways are kept clear.

Greetings to the Graduates

Welcome to your convocation!

Convocation is an ancient academic tradition and today we gather to celebrate one of life's great milestones. Your education and graduation are a very important part of our community's hopes for the future.

Your achievement here at the University of Alberta will be a foundation for your success in future endeavours. Your graduation today continues your lifelong quest for learning and truth.

Congratulations and very best wishes for this day and always.

Ralph B. Young
Chancellor

Congratulations to the University of Alberta's class of 2013! Today, on this very special occasion, you join a very special group of more than 275,000 proud alumni worldwide.

The U of A takes pride in your achievements—achievements through considerable investments of time and effort—your degree is a recognition of your accomplishments and the successful outcome of years of study, intellectual growth and personal discovery.

Wherever the next step of your journey may take you, your connection to your alma mater will endure.

Throughout your life, remember and be guided by the values we hold dear to this institution. When our first president, Henry Marshall Tory, founded this university, he upheld two ideals: first, that the modern university should be for the "uplifting of the whole people," and second, that we should pursue whatsoever things are true: quaecumque vera. With these two ideals as your beacon, I urge you to follow the lead of thousands of U of A alumni, and with truth and integrity, use your gifts to uplift, build and serve society.

Indira V. Samarasekera, O.C.
President and Vice-Chancellor

On behalf of the Government of Alberta, it is my pleasure to extend my sincere congratulations to the University of Alberta's 2013 graduating class.

Through your proficiency, hard work and perseverance you have reached one of the most important milestones in your life.

You have successfully graduated from a world-class university with a strong legacy of producing leaders in everything from the arts and sciences to business and education.

As you celebrate this personal and professional achievement with your family, classmates and colleagues, you are also celebrating the values that characterize Albertans—hard work, enthusiasm and dedication. Albertans like you have helped build a better province that future generations will be proud to call home. I hope that the passion and focus displayed in your educational endeavours will continue well into the future.

Congratulations once again to all the graduates, and best wishes for much future success.

Honourable Alison M. Redford, QC
Premier of Alberta

Our Traditions

The University Ceremonial Chairs

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto *Quaecumque Vera* together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

University Ceremonial Chairs

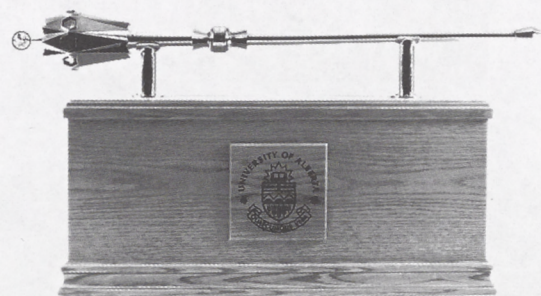

The University Mace

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr. Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

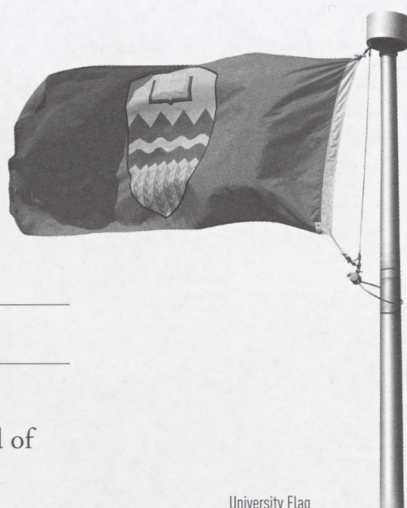

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

The University Flag has a gold background and bears the shield of the Coat of Arms.

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to her and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you" and

the placing of the students' hands within the hands of the Chancellor and her associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood.

Conferring of Degrees

The Presentation

The Senior Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Honorary Degree Recipient

CONGRATULATIONS

Donald Ross Getty

A leading public servant and 11th premier of Alberta, Donald Ross Getty has made tremendous contributions to business, politics and athletics in Canada.

Don Getty was born in Westmount, Quebec and graduated from the University of Western Ontario with an honours degree in business administration. Named to the institution's athletic hall of fame, he moved to Edmonton to play professional football.

After winding up a decade-long CFL career that included two Grey Cup victories as quarterback of the Edmonton Eskimos, Mr. Getty began a career in Alberta's oil sector that saw him become the youngest-ever independent oil company president when he formed Baldonnel Oil and Gas Ltd. in 1964.

He was elected to the Alberta Legislature three years later, helping the Progressive Conservatives form the official opposition in 1967 before the party was swept to power in 1971. He became Alberta's first federal and intergovernmental affairs minister, a post he would use to ensure that Alberta was an equal partner in making national decisions. He later served as minister of energy and natural resources, a role in which he established Alberta's constitutional right to ownership of its natural resources, promoting economic diversification and helping to negotiate the first oil sands project. He started the Alberta Energy Company to encourage the development of Alberta's petrochemical industry, and he was also part of a small core group that conceived the Heritage Savings Trust Fund.

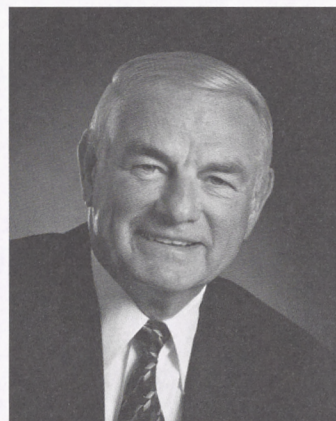

After 12 years in the legislature, Don Getty left politics in 1979 to spend more time with his family and return to his business career. He served on the boards of several of Canada's leading companies including Interprovincial Pipe and Steel Corporation, Genstar Corporation, Nova Corporation and the Royal Bank of Canada.

In 1985, he returned to public service to be elected Premier of Alberta, a post he would hold until stepping down in 1992. As Premier, his profile transcended Alberta's borders as he was called upon to play a leadership role during negotiations on national issues such as free trade and various accords regarding Quebec sovereignty, while further securing the growth of Alberta's energy sector. He also created Canada's first Family Day holiday.

Don Getty signed the first agreement in Canada to establish self-government for Métis people. He has received several honours for his contributions to Alberta's Aboriginal communities. The Whitefish Lake Band made him an Honorary Chief in 1990 and the Métis Nation of Alberta awarded him the Order of the Sash in 1991.

Appointed an Officer of the Order of Canada in 1998 and inducted into the Alberta Order of Excellence in 1999, Don Getty is widely respected for his work ethic and his skills as a negotiator and consensus builder.

His contributions to public life in Canada reveal a powerful combination of determination and integrity.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Donald Ross Getty:

***The Evening Journal* 2 Sept. 1905: 1-8. Print.**

On 2 September 1905, a banner headline on the front page of *The Evening Journal* announced "Alberta, a Province," and described the events of the previous day in a story entitled, "History in the Making in Alberta's New Capital." The province of Alberta had been officially inaugurated in a formal ceremony attended by Canada's Prime Minister, Sir Wilfred Laurier, the Governor General Albert Henry George (Earl Grey), Edmonton Mayor Kenneth W. MacKenzie, and "thousands of strong-armed, loyal and true-hearted citizens of the new province." George Hedley Vickers Bulyea took an oath of office as the first Lieutenant-Governor of the province, and at twelve noon the King's formal proclamation was read. This newspaper records an important moment in our shared history and offers a glimpse at life in Alberta's earliest days.

Congratulations Graduates

Honorary Degree Recipient

CONGRATULATIONS

Sarah McLachlan

One of the most influential musicians in Canadian history, Sarah McLachlan has translated her artistic success into myriad opportunities to champion music education and social philanthropy on a local and international scale.

Born and raised in Halifax, Nova Scotia, Sarah McLachlan attended the Nova Scotia College of Art and Design. She began her recording career in Vancouver in 1988 with her debut album *Touch*. Since then, five of her 14 albums have reached the Billboard Top 15. To date, she has received a career total of 21 Juno Award nominations. She is an eight-time Juno Award winner and a three-time Grammy Award winner for her hits *Building a Mystery* (1997), *Last Dance* (1998) and *I Will Remember You* (1999). She has been profiled in cover stories for *Time*, *Entertainment Weekly* and *Rolling Stone*, and was made an Officer of the Order of Canada in 1999.

Her influence on the music industry runs far deeper than a string of hits and 14 albums over 25 years – albums that have sold some 40 million copies worldwide. Ms. McLachlan is the founder of Lilith Fair, the historic all-women concert tour that brought together over 2 million people and raised more than \$10 million for national and local women's organizations, elevating the reach and profile of many female artists. In 1998, Ms. McLachlan received the Elizabeth Cady Stanton Visionary Award for advancing the careers of women in music. New York Governor George Pataki presented her with the award on the 150th anniversary of the first women's rights convention in Seneca Falls, New York.

Inspired by the importance of music in her own youth, and realizing that many children had little or no access to music, Ms. McLachlan also founded the Sarah McLachlan School of Music. The School is a free afterschool music education program for underserved and at-risk youth in her longtime home of Vancouver.

Beyond music, she has put her name and philanthropic efforts behind a number of charitable causes, including animal-welfare groups such as the Society for the Prevention of Cruelty to Animals. She has also used her international profile to raise millions of dollars for AIDS sufferers.

In 2004, Ms. McLachlan released the socially charged video "World on Fire" directed by Sophie Muller. The video made what Jon Pareles, writing in the *New York Times*, called "a modestly brilliant gesture: it stacks up budget items for a typical clip against what the same \$150,000 budget would buy as relief efforts – cattle, bicycles, housing, education, medicine... The contrast between show-business splurges and practical aid is startling." "World on Fire," a Grammy nominee for Best Short Form Music Video, cost only \$15 to make. The remainder of the \$150,000 budget was distributed among eleven charitable organizations around the world including CARE, Engineers Without Borders, Heifer International, Help the Aged and War Child.

Sarah McLachlan's artistry, vision and commitment to social change are a source of inspiration for generations of Canadians.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Sarah McLachlan:

Caroline Martin, comp. *Lap Games & Other Songs for Children*. Andoversford, Gloucestershire: The Whittington Press, 1989.

This delightful little book displays beautifully with its floral-patterned cloth binding, hand-coloured illustrations, mould-made paper, and a matching cloth-covered box. The twenty linocuts by Judith Verity depict lively scenes of mothers playing lap games with their children, singing songs, and having fun. Caroline Martin explains in her introduction, "Lap games, knee rides and simple songs for all nursery situations have for centuries been part of British folk tradition. The cuddling, talking and laughing together that is the essence of these games is an indispensable part of mothering, and of being a child". The first 20 copies of this limited edition were signed by the artist and hand-coloured in crayon; this copy is number six.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Honorary Degree Recipient

CONGRATULATIONS

Charles Harold Hantho

Charles Hantho has left an indelible mark on Canadian corporate and post-secondary leadership, global industry and environmental stewardship.

Born in Lethbridge and raised in Calgary, Mr. Hantho studied chemical engineering at the University of Alberta. After graduating in 1953, he joined the Plastics Division of Canadian Industries Ltd. (CIL) in Edmonton, rising to President/CEO in 1982 and retiring in 1988 as Chairman and CEO. He joined Dominion Textile Inc. as President/CEO in 1989 and retired as Chairman in 1997.

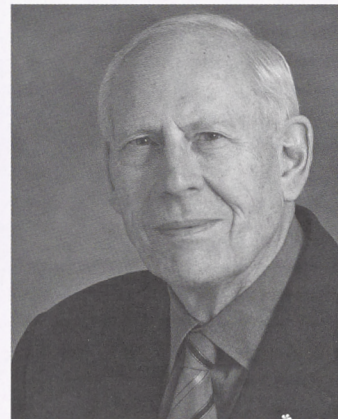

In 1997, Mr. Hantho was appointed a Member of the Order of Canada for his work in the chemical industry. As CEO of CIL and Chairman of the Canadian Chemical Producers Association, he played an important role in the development and implementation of a voluntary industry wide Responsible Care® program for the safe handling and use of chemicals “from cradle to grave”. The initiative was evolving within the industry in the early 80s but took on a high degree of urgency with the 1984 explosion at the Union Carbide factory in Bhopal, India that resulted in massive civilian deaths and injuries. Since its inception, the Responsible Care® program has guided the industry in Canada and has been adopted in the United States and around the world.

Mr. Hantho has pursued a number of other environmental and sustainability interests, including climate change issues, while serving as Chair of the Canadian Industry Program on Energy Conservation and Chair of the Minister of Natural Resources Advisory Committee. He served for several years as a member of the board of directors of the International Institute for Sustainable Development.

Mr. Hantho has distinguished himself as an exemplary corporate director and board chair in the public and not-for-profit sectors. He has been an active volunteer for both the University of Alberta and York University, serving as Chair of York's Board of Governors and as Chair of its Schulich School of Business Advisory Committee to the Centre of Excellence on Responsible Business. He has served as Chair of Dofasco Inc., Hamilton Utilities and Camco Inc., and as a Director of Agra Inc., Imasco Inc., Inco Ltd., TransAlta Corporation, Telemedia Communications Inc. and currently Zoom Media Group.

A Fellow of the Canadian Academy of Engineering and the Institute of Corporate Directors, he is a past Chair of the Canadian Manufacturers' Association and the Society of Chemical Industry. He is also a former Vice-Chair of BCNI, known today as the Canadian Council of Chief Executives.

A visionary corporate leader and community builder, Charles Hantho continues to champion responsible and sustainable business practices in both academia and industry.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Charles Harold Hantho:

Giovanni Braccresco. *De alchemia dialogi duo quorum, prior, genuinam librorum Gebri sententiam, de industria ab autore celatum, & figurato sermone involutam reteggit, & certis argumentis probat.* Lugduni: Godefricus & Marcellus, 1548.

Rare and early editions of alchemical books are highly collectible and sought after by research libraries and book collectors alike. This particular book is a fine example of early modern alchemical literature. Attributed to sixteenth-century alchemist Giovanni Braccresco, this treatise was written in the form of a dialogue; it presents esoteric theories for transmuting common substances into medicines with restorative and healing power. This is one of only a small number of copies available in world libraries, and it is an especially handsome copy with its full calf binding, gilt decorated spine, and engraved head- and tail-pieces.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Je te Retrouve - I Remember You

Music and lyrics by France Levasseur-Ouimet Ph.D.

Translation by France Levasseur-Ouimet and Laurier Fagnan

Bilingual version as it is actually sung (follow bold text). Gray text is translation of what is being sung

French (*1st verse and refrain, bridge and last refrain*)

1. Quand je pense a d'ou je viens
A cette route qui m'a conduit a qui je suis
Quand je pense aux jours passes
Ton nom me vient comme un
refrain que j'aime chanter
Quand je pense a tous ces gens
qui ont laisse un coin d'ciel bleu
au fond de moi

Refrain

Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient

Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier a demain, d'hier a
demain

2. Quand je retourne chez moi
Par habitude je refais tous les memes pas
Quand je marche dans les rues
J'entends des voix qui font echo au fond de moi
Quand je pense a cette langue
Qui me raconte, qui me recite et qui me dit

Refrain

Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient

Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier a demain, d'hier a demain

Bridge

Tu es ma jeunesse
Tu es mes racines
Tu es mon histoire

Dernier refrain (deuxieme partie
seulement)

Je te retrouve, je te retrouve
Tu es la source qui m'a nourri
Tu es la main qui m'a petri
Tu es la route qui m'a conduit
d'hier a demain
d'hier a demain

1. When I think of where I come from
Of the road that has led me to who I am
When I think of days gone by
Your name comes to me like a melody
that I want to sing
When I think of all the people
Who have left a piece of blue sky deep inside of me.

Refrain

I remember you, I remember you
You are the source of my dreams
You are the music that I sing
You are the strength that sustains me
I remember you, I remember you
You are the words that I compose
You are the source of my every gesture
You are the road that has lead me
From yesterday to tomorrow
From yesterday to tomorrow

English (*verse 2 and 2nd refrain*)

2. You have made me who I am
Empowered me to seek and learn and understand
You have taught me how to dream
To value hope, to search for truth and honesty
Memories of youth and friends are like a song
That warms my heart and never ends

Refrain

I hear your name and I remember you
And all the years that have gone by
Cannot erase the sense of pride
That lingers deep within my soul.

I hear your name and I remember you
The words of those who showed the way
Revealed the course we'd have to stay
To build tomorrow from today
And all our dreams will carry on

Bridge

You are my youth
You are my roots
You are my history

Last refrain

I remember you, I remember you
You are the source that has nourished me
You are the hand that has molded me
You are the road that has led me
From yesterday to tomorrow
From yesterday to tomorrow
